

Birthday Party Guideline Form

Due to our strict insurance policies the following guidelines must be followed:

*Parents, party guests above age 18 and/or children for which an invitation waiver was not signed by a legal guardian, may not enter the gym. They may not use or attempt to use any gymnastics equipment. This includes any mats, trampolines, spring boards, vaulting tables, uneven or parallel bars, balance beams, or any other equipment located within the gym.

*In order to take photographs of the party, a waiver must be signed to enter the gym area. A limit of two (2) adults that have signed our waiver may enter the facility to photograph the party. Please ask the coach in charge for the waiver.

Thank you in advance for your cooperation and helping to keep our gymnasts and coaches safe by following our policies.
